ABOUT US

At Opio Kitchen & Bar, we take Asian cuisine to new heights by infusing it with innovative elements from various Asian countries. Inspired by the adventurous spirit of Tin Tin Chapter 5, The Blue Lotus, Opio is a creation of the Blue Lotus Group. The name "Opio" is a nod to the exotic opium trade depicted in the animation.

Our establishment offers a unique blend of Western dining and delightful Asian flavors, providing diners with an unforgettable culinary experience that will keep them coming back for more.
